

AKADEMIK IOFFE

2010 - 2011

AKADEMIK IOFFE

Finnish-built for the Russian Academy of Science, Akademik Ioffe was designed to travel quietly, during hydro-acoustic research. The vessel carries a maximum of 107 guests in a variety of cabin configurations.

- Platform for optional kayaking & camping.
- Only 107 guests.
- Fleet of Zodiacs.
- Exceptionally stable.
- Fully enclosed lifeboats.
- Choice of shared, semi-private and private facilities.
- Sails in the Arctic and Antarctica.
- Ice-strengthened hull

This Polar Adventure Ship is exceptionally manoeuvrable and quick. External stabilizers and a built-in trimming system provide exceptional stability. Akademik Ioffe, sister ship to Akademik Sergey Vavilov, has an ice-strengthened hull and a cruising speed in open water of 14.5 knots
